MANAGEMENT INFORMATION CIRCULAR

(as at May 25, 2023, except as otherwise indicated)

This management information circular (“**Information Circular**”) is furnished in connection with the solicitation of proxies by the management of Greenbriar Capital Corp. (the “**Company**”) for use at the annual general meeting (the “**Meeting**”) of the Company’s shareholders (the “**Shareholders**”) to be held on June 29, 2023 at the time and place and for the purposes set forth in the accompanying notice of the Meeting.

In this Information Circular, references to “**Common Shares**” means common shares without par value in the capital of the Company. “**Beneficial Shareholders**” means shareholders who do not hold Common Shares in their own name, and “**intermediaries**” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders. Beneficial Shareholders, who do not hold their Common Shares in their own name, as “**Registered Shareholders**”, should read “Advice to Beneficial Shareholders” within for an explanation of their rights. Unless otherwise indicated, all dollar references are in Canadian currency.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged for intermediaries to forward the meeting materials to Beneficial Shareholders held of record by those intermediaries and we may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

Appointment of Proxyholders

The individuals named in the accompanying form of proxy (the “**Proxy**”) are officers and directors of the Company. **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than either of the persons designated in the Proxy, who need not be a shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with

respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority to the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors;
- (b) any amendment to or variation of any matter identified therein; and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter.

Registered Shareholders

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a proxy may do so by choosing one of the following methods:

- (a) complete, date and sign the enclosed form of proxy and return it to the Company's transfer agent, Computershare Investor Services Inc. ("**Computershare**"), by fax within North America at 1-866-249-7775, outside North America at (416) 263-9524, or by mail or by hand to the 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1;
- (b) use a touch-tone phone to transmit voting choices to the toll-free number given in the proxy. Registered shareholders must follow the instructions of the voice response system and refer to the enclosed proxy form for the toll-free number, the holder's account number and the proxy access number; or
- (c) log onto Computershare's website at www.investorvote.com. Registered Shareholders must follow the instructions provided on the website and refer to the enclosed proxy form for the holder's account number and the proxy access number.

In either case you must ensure the proxy is received at least 48 hours (excluding Saturdays, Sundays and statutory holidays) before the Meeting or the adjournment thereof. Failure to complete or deposit a proxy properly may result in its invalidation. The time limit for the deposit of proxies may be waived by the Company's board of directors (the "**Board**") at its discretion without notice. **Please note that in order to vote your Common Shares in person at the Meeting, you must attend the Meeting and register with the Scrutineer before the Meeting. If you have already submitted a Proxy, but choose to change your method of voting and attend the Meeting to vote, then you should register with the Scrutineer before the Meeting and inform them that your previously submitted proxy is revoked and that you personally will vote your Common Shares at the Meeting.**

Beneficial Shareholders

The following information is of significant importance to shareholders who do not hold Common Shares in their own name. Beneficial Shareholders should note the only proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders (those whose names appear on the records of the Company as the registered holders of Common Shares) or as set out in the following disclosure.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the name of the shareholder's broker

or an agent of that broker. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). In the United States of America (the “U.S.” or the “**United States**”) the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of shareholders’ meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

There are two kinds of Beneficial Shareholders - those who object to their name being made known to the issuers of securities which they own (called “**OBOs**” for “*Objecting Beneficial Owners*”) and those who do not object to the issuers of the securities they own knowing who they are (called “**NOBOs**” for “*Non-Objecting Beneficial Owners*”).

These securityholder materials are sent to both registered and non-registered (beneficial) owners of the securities of the Company. If you are a non-registered owner, and the Company or its agent sent these materials directly to you, your name, address and information about your holdings of securities, were obtained in accordance with applicable securities regulatory requirements from the intermediary holding securities on your behalf.

Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their Common Shares are voted at the Meeting.

The form of proxy supplied to you by your broker will be similar to the proxy provided to Registered Shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote on your behalf. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions Inc. (“**Broadridge**”) in Canada and in the United States. Broadridge mails a Voting Instruction Form (“**VIF**”) in lieu of a proxy provided by the Company. The VIF will name the same persons as the Company’s Proxy to represent you at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Company), different from the persons designated in the VIF, to represent your Common Shares at the Meeting, and that person may be you. To exercise this right insert the name of your desired representative (which may be you) in the blank space provided in the VIF. Once you have completed and signed your VIF return it to Broadridge by mail or facsimile, or deliver your voting instructions to Broadridge by phone or via the internet, in accordance with Broadridge’s instructions. Broadridge tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **If you receive a VIF from Broadridge, it must be completed and returned to Broadridge, in accordance with Broadridge’s instructions, well in advance of the Meeting in order to: (a) have your Common Shares voted at the Meeting as per your instructions; or (b) have an alternate representative chosen by you duly appointed to attend and vote your Common Shares at the Meeting.**

Notice to Shareholders in the United States

The solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of the Province of British Columbia, Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the United States *Securities Exchange Act of 1934*, as amended, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada.

Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement by Shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the *Business Corporations Act* (British Columbia) (the “**BCA**” and the “**Act**”), as amended, certain of its directors and its executive officers are residents of Canada, and a substantial portion of its assets and the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a Registered Shareholder who has given a proxy may revoke it by:

- (a) executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the Registered Shareholder or the Registered Shareholder’s authorized attorney in writing, or, if the shareholder is a corporation, under its corporate seal by an officer or duly authorized attorney, and by delivering the proxy bearing a later date to Computershare or at the address of the registered office of the Company at Suite 1600, 1095 West Pender Street, Vancouver, BC V6E 2M6, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law; or
- (b) personally attending the Meeting and voting the Registered Shareholder’s Common Shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

INTERESTS OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

No director or executive officer of the Company, or any person who has held such a position since the beginning of the last completed financial year of the Company, nor any nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors and as may be set out herein.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The board of directors (the “**Board**”) of the Company has fixed May 25, 2023 as the record date (the “**Record Date**”) for determination of persons entitled to receive notice of the Meeting. Only Shareholders of record at the close of business on the Record Date who either attend the Meeting personally or complete, sign and deliver a form of proxy in the manner and subject to the provisions described above will be entitled to vote or to have their Common Shares voted at the Meeting.

The Company is authorized to issue an unlimited number of Common Shares. As of the Record Date, there were 34,073,355 Common Shares issued and outstanding, each carrying the right to one vote. No group of shareholders has the right to elect a specified number of directors and there are no cumulative or similar voting rights attached to the Common Shares.

FINANCIAL STATEMENTS

The consolidated financial statements of the Company's financial year ended December 31, 2022, the report of the auditor thereon, and the respective management's discussion and analysis, will be placed before Shareholders at the Meeting for their consideration. No formal action will be taken at the Meeting to approve the financial statements. If any shareholder has questions regarding such financial statements, such questions may be brought forward at the Meeting. Copies of the audited consolidated financial statements are available through the internet on SEDAR, which can be accessed at www.sedar.com.

A simple majority of affirmative votes cast on the ordinary resolutions at the Meeting is required to pass the resolutions described herein.

If there are more nominees for election of directors, or for appointment of the Company's auditor than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled, all such nominees will be declared elected or appointed by acclamation.

NUMBER OF DIRECTORS

At the Meeting, Shareholders will be asked to pass an ordinary resolution to set the number of directors of the Company at five (5). CORPORATE GOVERNANCE

Corporate Governance relates to the activities of the Board of Directors. National Policy 58-201 establishes corporate governance guidelines which apply to all public companies. The Company has reviewed its own corporate governance practices in light of these guidelines. In certain cases, the Company’s practices comply with the guidelines, however, the Board considers that some of the guidelines are not suitable for the Company at its current stage of development and therefore these guidelines have not been adopted. National Policy 58-201 mandates disclosure of corporate governance practices which disclosure is set out below. The size of the Company is such that all of the Company’s operations are conducted by a small management team which is also represented on the Board. Any director may submit items for inclusion in the agenda of matters to be discussed at meetings of the Board. The Board considers that management is effectively supervised by the independent directors on an informal basis as the independent directors are actively and regularly involved in reviewing the operations of the Company and have regular and full access to management. The independent directors are able to meet at any time without any members of management being present. Further supervision is performed through the audit committee which is composed of a majority of independent directors. The independent directors exercise their responsibilities for independent oversight of management through their majority control of the Board.

The Company does promote ethical business conduct through the nomination of Board members it considers ethical.

Nomination of Directors

The Board has responsibility for identifying and assessing potential Board candidates. Recruitment of new directors has generally resulted from recommendations made by directors, management and Shareholders. Stock Options and Other Compensation Securities

10% Rolling Stock Option Plan (Option-Based Awards)

The Company has a Stock Option Plan dated for reference September 14, 2012, as amended May 16, 2022 (the “**Option Plan**”), which was last approved by Shareholders at the Company’s annual general meeting held on June 15, 2022.

The purpose of the Option Plan is to advance the interests of the Company by encouraging the directors, employees and consultants of the Company and of its subsidiaries or affiliates, if any, by providing them with the opportunity, through Options, to acquire Common Shares in the capital of the Company, thereby increasing their proprietary interest in the Company, encouraging them to remain associated with the Company and furnishing them with additional incentive in their efforts on behalf of the Company in the conduct of its affairs.

The material terms of the Option Plan are set forth below. Capitalized terms used but not otherwise defined below shall have the meanings ascribed to such terms in the Option Plan.

1. Service Provider – Service Providers are eligible for awards of Options under the Option Plan. “**Service Provider**” means a person who is a bona fide Director, Officer, Employee, Management Company Employee, Consultant or Company Consultant, and also includes a company, 100% of the share capital of which is beneficially owned by one or more Service Providers.

2. **Maximum Plan Shares** – The maximum aggregate number of Plan Shares that may be reserved for issuance under the Plan at any point in time is equal to 10% of the Outstanding Shares at the time Plan Shares are reserved for issuance as a result of the grant of an Option, less any Common Shares reserved for issuance under Share Compensation Arrangements unless this Plan is amended pursuant to the requirements of the TSX Venture Exchange (“TSXV”) Policies (and, if applicable, NEX Policies).
3. **Limitations on Issue** – The following restrictions on issuances of Options are applicable under the Option Plan, together with all other Share Compensation Arrangements:
 - (a) no Service Provider can be granted an Option if that Option would result in the total number of Options, together with all other Share Compensation Arrangements granted to such Service Provider in the previous 12 months, exceeding 5% of the Outstanding Shares, unless the Company has obtained “**Disinterested Shareholder Approval**” (as defined in the Option Plan to mean approval evidenced by a majority of the votes cast by all the Shareholders at a duly constituted Shareholders’ meeting, excluding votes attached to Common Shares beneficially owned by Insiders of the Company who are Service Providers or their Associates);
 - (b) the aggregate number of Options, together with any other Share Compensation Arrangement, granted to all Investor Relations Service Providers in any 12-month period cannot exceed 2% of the Outstanding Shares, calculated at the time of grant, without the prior consent of the TSXV (or NEX, as the case may be);
 - (c) the aggregate number of Options granted, together with any other Share Compensation Arrangements, granted to any one Consultant in any 12 month period cannot exceed 2% of the Outstanding Shares, calculated at the time of grant, without the prior consent of the TSXV (or the NEX, as the case may be);
 - (d) for so long as such limitation is required by the TSXV, the maximum number of Options which may be granted within any twelve (12) months period to Service Providers who perform investor relations activities must not exceed 2% of the issued and outstanding Common Shares, and such Options must vest in stages over twelve (12) months with no more than 25% vesting in any three month period. In addition, the maximum number of Common Shares that may be granted to any one Consultant under this Plan, together with any other Share Compensation Arrangements, within a twelve (12) month period, may not exceed 2% of the issued Common Shares calculated on the date of grant.

Investor Relations Service Providers cannot receive any security based compensation other than Options.

4. **Maximum Percentage to Insiders** – Subject to Disinterested Shareholder Approval, the aggregate number of Common Shares reserved for issuance to Insiders of the Company under the Option Plan, together with any other Share Compensation Arrangements, cannot exceed 10% of the Outstanding Shares.
5. **Maximum Percentage to Insiders within any 12-month period** – Subject to Disinterested Shareholder Approval, the number of Common Shares issued to Insiders of the Company within any 12-month period under the Option Plan, together with any other Share Compensation Arrangements, cannot exceed 10% of the Outstanding Shares.

6. Exercise Price – The Exercise Price of an Option will be set by the Board at the time such Option is allocated under the Option Plan, and cannot be less than the Discounted Market Price (as defined in TSX Venture Exchange Policy 1.1).
7. Vesting of Options – Vesting of Options shall be at the discretion of the Board and, with respect to any particular Options granted under the Plan, in the absence of a vesting schedule being specified at the time of grant, Options shall vest immediately. Where applicable, vesting of Options will generally be subject to:
 - (a) the Service Provider remaining employed by or continuing to provide services to the Company or any of its Affiliates as well as, at the discretion of the Board, achieving certain milestones which may be defined by the Board from time to time or receiving a satisfactory performance review by the Company or any of its Affiliates during the vesting period; or
 - (b) the Service Provider remaining as a Director of the Company or any of its Affiliates during the vesting period.
8. Vesting of Options Granted to Investor Relations Service Providers – Options granted to Investor Relations Service Providers will vest such that:
 - (a) no more than 25% of the Options vest no sooner than three months after the Options were granted;
 - (b) no more than 25% of Options vest no sooner than six months after the Options were granted;
 - (c) no more than 25% of Options vest no sooner than nine months after the Options were granted; and
 - (d) the remainder of the Options vest no sooner than 12 months after the Options were granted.
9. Term of Option – The term of an Option will be set by the Board at the time such Option is allocated under the Option Plan. An Option can be exercisable for a maximum of 10 years from the Effective Date.
10. Optionee Ceasing to be a Director, Employee or Service Provider – Options may be exercised after the Service Provider has left his/her employ/office or has been advised by the Company that his/her services are no longer required or his/her service contract has expired, until the term applicable to such Options expires, except as follows:
 - (a) in the case of the death of an Optionee, any vested Option held by him/her at the date of death will become exercisable by the Optionee's lawful personal representatives, heirs or executors until the earlier of one year after the date of death of such Optionee and the date of expiration of the term otherwise applicable to such Option;
 - (b) an Option granted to any Service Provider (excluding Service Providers conducting Investor Relations Activities) will expire 90 days (or such other time, not to exceed one year, as shall be determined by the Board as at the date of grant or agreed to by the Board and the Optionee at any time prior to expiry of the Option) after the date the Optionee ceases to be employed by or provide services to the Company, and only to the extent that

such Option was vested on the date the Optionee ceased to be so employed by or to provide services to the Company;

- (c) an Option granted to any Investor Relations Service Provider will expire 30 days after the date the Optionee ceases to be employed by or provide services to the Company, and only to the extent that such Option was vested at the date the Optionee ceased to be so employed by or to provide services to the Company; and
 - (d) in the case of an Optionee being dismissed from employment or service for Cause, such Optionee's Options, whether or not vested at the date of dismissal will immediately terminate without right to exercise same.
11. Non-Assignability of Options – Except in the case of death of an Optionee, all Options will be exercisable only by the Optionee to whom they are granted and will not be assignable or transferable.
12. Amendment of the Option Plan by the Board of Directors – Subject to the requirements of the TSXV Policies and the prior receipt of any necessary Regulatory Approval, the Board may in its absolute discretion amend, or modify the Option Plan or any Option granted as follows:
- (a) it may make amendments which are of a typographical, grammatical or clerical nature only;
 - (b) amendments of a housekeeping nature;
 - (c) it may change the vesting provisions of an Option granted pursuant to the Option Plan, subject to prior written approval of the TSXV, if applicable;
 - (d) it may change the termination provision of an Option granted pursuant to the Option Plan which does not entail an extension beyond the original Expiry Date of such Option or 12 months from termination;
 - (e) it may make amendments necessary as a result in changes in securities laws applicable to the Company or any requested changes by the TSXV;
 - (f) if the Company becomes listed or quoted on a stock exchange or stock market senior to the TSXV, it may make such amendments as may be required by the policies of such senior stock exchange or stock market; and
 - (g) it may make such amendments as reduce, and do not increase, the benefits of the Option Plan to Service Providers.
13. Amendments Requiring Disinterested Shareholder Approval – The Company will be required to obtain Disinterested Shareholder Approval prior to any of the following actions becoming effective:
- (a) the Option Plan, together with all of the Company's other previous Share Compensation Arrangements, could result at any time in:
 - (i) the aggregate number of Common Shares reserved for issuance to Insiders exceeding 10% of the Outstanding Shares;

- (ii) the aggregate number of Common Shares reserved for issuance to Insiders within a 12-month period exceeding 10% of the Outstanding Shares; or
 - (iii) the aggregate number of Common Shares reserved for issuance to any one Optionee within a 12-month period exceeding 5% of the Outstanding Shares; or
 - (b) any reduction in the Exercise Price of an Option, or extension to the Expiry Date of an Option held by an Insider at the time of the proposed amendment, is subject to Disinterested Shareholder Approval in accordance with the policies of the TSXV.
14. Take Over Bid – If a Take Over Bid is made to the Shareholders generally then the Company shall immediately upon receipt of notice of the Take Over Bid, notify each Optionee currently holding an Option of the Take Over Bid, with full particulars thereof whereupon such Option may, notwithstanding other applicable vesting requirements or any vesting requirements set out in the Option Commitment, be immediately exercised in whole or in part by the Optionee, subject to approval of the TSXV (or the NEX, as the case may be) for vesting requirements imposed by the TSXV Policies.
 15. Black-out Period – The Option Plan also contains provision for a “Black-out Period”. Should the Expiry Date for an Option fall within a Black-out Period, such Expiry Date shall, subject to approval of the TSXV (or the NEX, as the case may be), be automatically extended without any further act or formality to that day which is the tenth (10th) Business Day after the end of the Black-out Period, such tenth (10th) Business Day to be considered the Expiry Date for such Option for all purposes under the Option Plan. The tenth (10th) Business Day period referred to herein may not be extended by the Board. “**Black-out Period**” is defined in the Option Plan to mean an interval of time during which the Company has determined that one or more Participants may not trade any securities of the Company because they may be in possession of undisclosed material information pertaining to the Company, or when in anticipation of the release of quarterly or annual financials, to avoid potential conflicts associated with a company’s insider-trading policy or applicable securities legislation, (which, for greater certainty, does not include the period during which a cease trade order is in effect to which the Company or in respect of an Insider, that Insider, is subject).
 16. Cashless Exercise – The Option Plan also contains a “cashless exercise” or “net exercise” basis. “Cashless exercise” is a method of exercising stock options in which a securities dealer loans funds to the option holder or sells the same shares as those underlying the option, prior to or in conjunction with the exercise of options, to allow the option holder to fund the exercise of some or all of their options. “Net exercise” is a method of option exercise under which the option holder does not make any payment to the issuer for the exercise of their options and receives on exercise a number of shares equal to the intrinsic value (current market price less the exercise price) of the option valued at the current market price. The current market price must be the 5-day volume weighted average trading price prior to option exercise. “Net exercise” may not be utilized by persons performing investor relations services.

A copy of the Option Plan is attached as Schedule “B” to the information circular prepared for the Company’s annual general meeting held on June 15, 2022 and is available at www.sedar.com. A copy of the Option Plan will also be available at the Meeting.

Performance Share Plan (Share-Based Awards)

The Company has a Performance Share Plan dated effective May 6, 2021, which was approved by Shareholders at the Company's annual general meeting held on June 8, 2021. The Board has established a fixed number of Common Shares for the Performance Share Plan.

The addition of this type of long-term incentive was made to ensure alignment with the Company's evolving compensation objectives, and is intended to provide compensation that is conditional on the achievement of predetermined performance criteria.

A copy of the Performance Share Plan is attached as Schedule "B" to the information circular prepared for the Company's annual general meeting held on June 8, 2021 and filed on SEDAR at www.sedar.com. A copy of the Performance Share Plan will also be available for inspection at the Meeting.

The following is a summary of important provisions of the Performance Share Plan and is not a comprehensive discussion of all of its terms and conditions. Readers are advised to review the full text of the Performance Share Plan to fully understand all of its terms and conditions.

Summary of the Performance Share Plan

Purpose – The Performance Share Plan provides for the issuance of Performance Shares for the purpose of advancing the interests of the Company and its shareholders through the motivation of the Consultant and the alignment of the Consultant's interest with the interests of the Shareholders.

Administration – The Performance Share Plan shall be administered by the Board. The Board shall have the power, authority, and full and final discretion, to interpret and to administer the Performance Share Plan, to prescribe, amend, rescind, or waive rules and regulations to govern the administration and operation of the Performance Share Plan. All decisions and interpretations made by the Board will be binding and conclusive on the Company and the Consultant, subject to shareholder approval if required. The Board will also have the right to delegate the administration and operation of all or part of the Performance Share Plan to a committee of directors, which is appointed by the Board from time to time.

Eligible Participants – Performance Shares shall only be granted to the Consultant. For each solar power project, the construction of which is managed by the Consultant, the Company will pay the Consultant a success fee of 100,000 Performance Shares upon the project achieving a Commercial Operations Date. The obligation of the Company to issue the Performance Shares will be subject to the issuance being exempt from all prospectus requirements. All Performance Shares will be issued subject to applicable hold periods.

Common Shares Subject to the Performance Share Plan – The aggregate number of common shares reserved for issuance under the Performance Share Plan, subject to adjustment in accordance with the Performance Share Plan, is 2,600,000 common shares.

Replenishment of this allocation requires disinterested shareholder approval, pursuant to the policies of the Exchange. No further grants of Performance Shares can be made unless and until a sufficient number of common shares is reserved to meet all commitments to deliver Performance Shares under the Performance Share Plan. If, as result of a change in the Consultant's status as an officer of the Company, the Exchange imposes limits on issuances of common shares under the Performance Share Plan, the Consultant and Company will act reasonably in making such adjustments to the Performance Share Plan in order to comply with such requirements.

Withholding Taxes – the Company will have no obligation to issue any Performance Shares under this Performance Share Plan, if the Company is obliged to take any action necessary to satisfy all obligations for withholding of such taxes, unless arrangements acceptable to the Company have been made by the Consultant to pay such obligations.

Termination of Relationship as Consultant – If the Consultant ceases to provide services to the Company under the Agreement for any reason, all outstanding Performance Shares owing to the Consultant as of the effective date of termination (the “**Termination Date**”) shall be, unless otherwise provided by the Agreement or any other written agreement governing the Consultant’s role as a consultant to the Company, issuable to the Consultant as soon as practicable after the Termination Date.

Non-Assignable – Performance Shares shall only be issued to the Consultant personally. The only exception is if the Consultant dies, the Performance Shares may be delivered to the Consultant’s estate or designated beneficiary, pursuant to the Consultant’s Will or by the laws of descent and distribution. Except for the foregoing, and as otherwise provided in this Performance Share Plan, no assignment, sale, transfer, pledge or charge of a Performance Share, whether voluntary, involuntary, by operation of law or otherwise, vests any interest or right in such Performance Share whatsoever in any assignee or transferee. Immediately upon any assignment, sale, transfer, pledge or charge or attempt to assign, sell, transfer, pledge or charge, such Performance Share shall terminate and be of no further force or effect.

Amendments and Termination of the Performance Share Plan – the Company retains the right to amend from time to time or to suspend, terminate or discontinue terms and conditions of the Performance Share Plan, and the Performance Shares granted by resolution of the Board. Any amendments shall be subject to the prior consent of any applicable regulatory bodies as may be required. Any amendment to the Performance Share Plan shall take effect only for Performance Shares granted after the effective date of such amendment, provided that it may apply to any outstanding Performance Shares with mutual consent of the Company and the Consultant.

The Board shall have the power and authority to approve amendments relating to the Performance Share Plan or to Performance Shares, without further approval of the shareholders, to the extent that such amendment is:

- a) for the purpose of curing any ambiguity, error or omission in the Performance Share Plan, or to correct or supplement any provision of the Performance Share Plan that is inconsistent with any other provision of the Performance Share Plan;
- b) necessary to comply with applicable law or requirements of any stock exchange on which the common shares are listed;
- c) an amendment to the Performance Share Plan respecting administration and eligibility for participation under the Performance Share Plan;
- d) change to the terms and conditions on which Performance Shares may be or have been granted pursuant to the Performance Share Plan; or
- e) an amendment to the Performance Share Plan of a “housekeeping nature”, provided that in the case of any alteration, amendment or variance referred to in paragraph (a) or (b) above, the alteration, amendment or variance does not:
 - i) amend the number of common shares issuable under the Performance Share Plan;

- ii) result in a material or unreasonable dilution in the number of outstanding common shares or any material benefit to the Consultant; or
- iii) change the class of eligible participants to the Performance Share Plan, with the potential of broadening or increasing participation by insiders of the Company.

Subject to any required approval of any regulatory authority or stock exchange, the Board may amend the termination provisions of Performance Shares granted pursuant to the Performance Share Plan without shareholder approval. If the Board proposes to replenish the reservation of common shares to be issued pursuant to the Performance Share Plan, such amendments will require Disinterested Shareholder Approval.

Employment, Consulting and Management Agreements

Pursuant to a consulting agreement dated July 1, 2014, the President of the Company, Clifford M. Webb, agreed to lead all the wind and solar development for the Company in obtaining permitting, environmental compliance and raising of capital to construct the Company's renewable energy facilities for an annual fee of US\$120,000. The agreement was amended on October 18, 2016 to provide for an annual fee of US\$60,000. In addition to the annual fee, the Company agreed to reimburse all reasonable expenses incurred related to office expenses, daily travel per diem, mileage expense and health and life insurance premium expense. The agreement also provided for a bonus of US\$250,000 in recognition of the President's unpaid work in support of the Company's projects since March 2013 which was awarded to the President during the year ended December 31, 2014. The bonus will be paid from available funds upon the Company closing certain development milestones allowing for an equity raise of at least US\$2,000,000 or the sale of any the Company's assets or project rights including the Tehachapi land, whichever occurs first. The President will also be paid a US\$1,950,000 development completion bonus at the time the Montalva Solar Project completes all key milestones necessary for the Company to obtain project financing for the Montalva Solar Project.

On October 15, 2016, the President entered into an amended compensation agreement with the Company. Under this new agreement, the President agreed to settle all unpaid fees and late penalties with a US\$168,750 loan at interest of 8% per annum compounded semiannually. His base fee was reduced to US\$5,000 per month until such time as a PPOA for a project is executed with PREPA or other such milestone has occurred as determined by the board. The fee will then be reverted back to US\$10,000 per month. The development completion award for the Montalva solar project was also reduced to US\$1.95 million from the initial US\$3 million. On August 4, 2021, it was agreed that the President's fee would be reinstated to US \$10,000 per month going forward.

On August 13, 2018, the Company renegotiated the terms of an outstanding loan comprising certain debt due to the President, for services rendered to The Company. The President agreed to extend the term of the loan until June 15, 2021. In recognition of the President's efforts to move the Company's Montalva project in Puerto Rico forward to date and as a further inducement to ensure the President's continued contribution to the advancement of the Montalva Project, The Company has agreed to grant a bonus of \$65,000 to the

President. During the year ended December 31, 2018, the Company agreed to convert \$322,534 of the loans outstanding into a convertible debenture granted to the lender the ability to convert the loan and interest into units of the Company at the conversion price of \$1.25 per unit. Each unit is comprised of one share and one half of one share purchase warrant. One whole warrant entitles the holder to purchase one additional share of the Company at a price of \$1.50 on or prior to June 15, 2021. As at December 31, 2021, the convertible debt and all resulting warrants have been converted.

Other than set out above, there are no other employment, consulting or management agreements between the Company and any NEO.

The Board is responsible for determining all forms of compensation, including long-term incentives in the form of stock options to be granted to the Company's directors, officers, and eligible consultants. The Board is also responsible for reviewing recommendations from the Compensation Committee for compensation of the Chief Executive Officer and other officers of the Company, to ensure such arrangements reflect the responsibilities and risks associated with each position. When determining the compensation of its officers, the Compensation Committee will consider: (i) recruiting and retaining officers critical to the Company's success and the enhancement of shareholder value; (ii) providing fair and competitive compensation; (iii) balancing the interests of management and the Company's shareholders; and (iv) rewarding performance, both on an individual basis and with respect to operations in general. The Company's compensation program currently relies heavily on the granting of stock options and performance bonuses.

The long-term incentive program is intended to align the interests of the NEOs, directors, consultants and employees with those of the Company's shareholders over the longer term and to provide a retention incentive for each NEO. This component of the compensation package consists of grants of options to purchase common shares. Numerous factors are taken into consideration by the Board in determining grants of options, including: a review of the previous grants (including value both at the current share prices and potential future prices), the remaining time to expiry, overall corporate performance, share price performance, the business environment and the role and performance of the individual in question.

The Company does not have a pension plan for any of its directors or NEOs.

A majority of the members of the Committee shall not be officers or employees of the company or of an affiliate of the Company. At least one member of the Committee shall be financially literate. All members of the Committee who are not financially literate will work towards becoming financially literate to obtain a working familiarity with basic finance and accounting practices. For the purposes of this Audit Committee Charter, the term “financially literate” means the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company’s financial statements.

The members of the Committee shall be appointed by the Board of Directors at its first meeting following the annual shareholders’ meeting. Unless a Chair is elected by the full Board of Directors, the members of the Committee may designate a Chair by a majority vote of the full Committee membership. The Chair shall be financially literate and an independent director as defined in Section 1.4 of National Instrument 52-110 *Audit Committees*.

MEETINGS

Meetings of the Committee shall be scheduled to take place at regular intervals and, in any event, not less frequently than quarterly. Unless all members are present and waive notice, or those absent waive notice

before or after a meeting, the Chairman will give Committee members 24 hours’ advance notice of each meeting and the matters to be discussed at it. Notice may be given personally, by telephone, facsimile or e-mail.

The external auditor shall be given reasonable notice of, and be entitled to attend and speak at, each meeting of the Committee concerning the Company’s annual financial statements and, if the Committee feels it is necessary or appropriate, at any other meeting. On request by the external auditor, the Chair shall call a meeting of the Committee to consider any matter that the external auditor believes should be brought to the attention of the Committee, the Board of Directors or the shareholders of the Company.

At each meeting of the Committee, a quorum shall consist of a majority of members that are not officers or employees of the Company or of an affiliate of the Company. A member may participate in a meeting of the Committee in person or by telephone if all members participating in the meeting, whether in person or by telephone or other communications medium, are able to communicate with each other. A member may participate in a meeting of the Committee by a communications medium other than telephone if all members participating in the meeting, whether in person or by telephone or other communications medium, are able to communicate with each other and if all members who wish to participate in the meeting agree to such participation.

As part of its goal to foster open communication, the Committee may periodically meet separately with each of management and the external auditor to discuss any matters that the Committee or any of these groups believes would be appropriate to discuss privately. In addition, the Committee should meet with the external auditor and management annually to review the Company's financial statements.

The Committee may invite to its meetings any director, any manager of the Company, and any other person whom it deems appropriate to consult in order to carry out its responsibilities. The Committee may also exclude from its meetings any person it deems appropriate to exclude in order to carry out its responsibilities.
